

Elan 155

Professional Loudspeaker

Overview

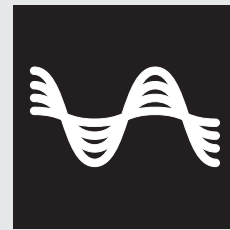

The Elan series is our range of multi-purpose professional loudspeakers designed to be a cost-effective solution for live music performances, touring, DJs and installation applications.

Key Features

Powerful Drivers

Incorporates high-fidelity custom- engineered drivers to cover the whole audio spectrum

Optimal Acoustic Design

Acoustically-optimised with HF horns and bass ports for clarity, punch, and a wide dispersion area

Efficient Crossover

Crossover assembled from high-tolerance components for the highest audio efficiency and fidelity

Built for the Road

Housed in a robust internally-braced cabinet with a rugged paint finish built for the road

Applications:

- Live Performances
- DJ Setups
- Rental Solutions
- Fixed Installations

All Features

- High power handling and efficient loudspeaker systems for a remarkable performance.
- Overload protection circuitry ensures optimal HF driver protection.
- Professional-quality dual Speakon and 1/4" jack connectors for input connectivity and linking additional loudspeakers.
- High-endurance and durable cabinet design with an abuse-resistant paint finish built for the road.
- Ergonomically-shaped handles for easy transportation.
- Heavy-gauge perforated metal grille for optimal speaker protection.
