

## SM 450XLR

Vocal Microphone

### Overview

---

The SM 450 XLR is a professional microphone designed with a wide frequency response for speech, professional vocals and instrument miking.

## All Features

---

- Extra wide frequency response designed to suit a variety of professional vocal applications.
- Dynamic Super cardioid pickup pattern minimizes off-axis pick-up, reduces feedback and provides higher system gain.
- Low-failure magnetic on-off switch.
- Rugged body and dent-proof steel grill that withstands physical shocks.
